## Charities we're supporting

Located in Farmington Hills, MI, Camp Casey's mission is to provide safe, fun experiences for children and families affected by childhood cancer, sickle cell disease, and other life-threatening illnesses through accessible horseback riding programs.

## Alm♥st Home

Located in West Bloomfield, MI, Almost Home Animal Rescue League was founded in 1999 by Gail Montgomery Schwartz and Lauren Montgomery Anchill. The mother and daughter team became disheartened while volunteering at various animal shelters. Being of the 'never kill' philosophy, they were disturbed by the endless euthanasia practiced simply because animals were born homeless and society felt there was no place for them. Gail and Lauren wanted a huge difference in our animals' lives. Almost Home became the first Never Kill 501 (c)(3) animal rescue organization. Almost Home is the one and only pure never kill organization. It's truly a place for dogs and cats to not only feel safe but to be safe. We are so proud of our work and all the people who are instrumental in saving lives with us. Here's to being the model never kill animal rescue. Love to all. Peace and good life to all.

Hope Against Trafficking - When Hope Against Trafficking started, our founders realized that there was a lack of long-term, safe, restorative environments for adult survivors of human trafficking. The women who have been rescued or escaped their traffickers lack hope as they have no safe-haven, no financial stability, and fear for their lives. We provide a comprehensive and dedicated program with the vision of helping these survivors to thrive. 90% of women who try to get out of trafficking end up returning to the street through force, for survival or are killed. Our program gives them the chance they never had at life. We have taken a two-pronged approach for restoration of survivors and education for our community.
